To whomsoever it may concern

This is to certify that Sarthak Rastogi, 4th year undergraduate student of Manav Rachna University (Roll No. 2K19CSUN04024), has interned with me at the Indian Institute of Technology Kharagpur in the period June 2022 - Sept 2022.

He worked on building a dataset for health entity extraction in the Hindi language. Further, he successfully trained a speech intent classification model using transformers.

He is hard working, dedicated and showed a good understanding of practical NLP and programming. I wish him the best on his journey forward.

Sincerely,

Pawan Goyal
